

Equality and Diversity Policy

1. Our Vision and Aims for Equality and Diversity

At Castledyke we believe that everyone is entitled to live and work in an environment free from discrimination and abuse of any kind.

'We will treat everyone at Castledyke Primary School fairly, celebrating difference and meeting different needs so that all members of our school community are free to live, learn and enjoy'
We are committed to:

- Tackling discrimination on the grounds of age, disability, gender identity (gender reassignment and transgender), pregnancy and maternity, race, religion or belief, sex (gender) or sexual orientation
- Advancing equality of opportunity
- Creating good relations between different groups

2. Defining Equality and Diversity

2.1 Equality

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils/ students, parents and school governors.

Relating to the Equality Act (2010) there are nine 'protected characteristics' these are age; disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:

- Eliminate unlawful discrimination and harassment
- Advance equality of opportunity
- Foster good relations between different groups

2.2 Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity, we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture, we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

3. Purpose and Scope of the Policy

This policy sets out Castledyke Primary School's commitment to promoting equality and diversity. We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Encouraging all pupils to take part in activities, the school provides transport and uniform for events such as the Speech and Drama festival and events.
- Making appropriate changes to teaching resources, and emotional and behavioural support e.g. School Counsellor, Learning Mentor, Behaviour Team
- Accessing Local Authority Services e.g. Ethnic Minority and Traveller Advisory Service, EAL Support
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing of this policy annually and making it accessible through the school website or in an alternative format as requested. www.castledykeprimary.co.uk

The policy applies to:

- School Governors
- Staff
- Parents
- Pupils (as appropriate)
- Visitors to the school
- Multi-agency Professionals
- Contractors

4. Roles and Responsibilities

All members of the school community, governors, staff, pupils, parents, and visitors all have a part to play in implementing this policy, promoting diversity and equality, challenging inappropriate behaviour or practice to remove barriers and avoiding discrimination.

To promote understanding of this responsibility will:

6. Bullying and Diversity incidents

6.1 Pupils

Castledyke Primary School believes all pupils should be safe and feel valued for themselves, whatever characteristics they may have. Bullying and harassment of pupils, staff, parents, visitors by pupils on the basis of their identity (including a perceived characteristic, and by association with a protected characteristic) is unacceptable. Incidents will be logged, investigated and appropriate actions taken to prevent future incidents and to support the victim as outlined in the School's Anti-bullying Policy.
